The Apple iPhone 15 Pro Max features the groundbreaking A17 Pro chip, a customizable Action button, and a powerful iPhone camera system. Forged in titanium, it boasts

Bewertungen (1)

Beschreibung

# a strong and light aerospace-grade titanium design with a textured matte-glass back. iPhone 15 Pro is the first iPhone to feature an aerospace-grade titanium design,

**About This Product** 

using the same alloy that spacecraft use for missions to Mars. Titanium has one of the best strength-to-weight ratios of any metal, making these our lightest Pro models ever. You'll notice the difference the moment you pick one up.

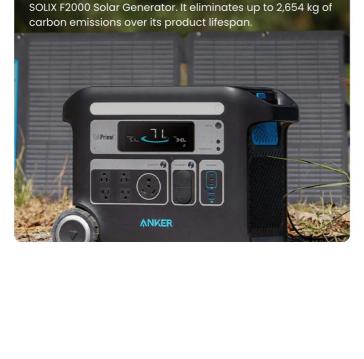

### • Carrier activation is subject to a credit check and approval. Depending on the results of this credit check, the carrier may require that you pay a security deposit or meet additional credit requirements.
